

Summertime Seedlings

A Camp-Like Adventure for 3-6 year olds

The **Summertime Seedlings** creative arts program offers children the opportunity to spend time each morning freely exploring music, storytelling, process-oriented art and dramatic play. In the **Seedlings** program we value play as central to learning. Free open-ended play in an environment of natural substances, tools, and simple toys provides the experience that young children require for healthy social and emotional intelligence to develop. Each week we will also offer a special cooking project, science experiments, co-op games, treasure hunts, the ever popular “smoothie day” and lots of cool water play. All materials are included in the weekly fee. Each child will need to bring their own healthful snack, water bottle, bathing suit, sunscreen and beach towel.

Spaces are limited to **25 children each week**, so send in your registration form today to hold your spot in one of the most memorable summer experiences you can offer your child. To quote one of our students, **“Summertime Seedlings is a kid’s best friend!”**
